

IESCO 2010A/002

Legal Announcement

Recently, we have been noticing that some fraudsters, who have no any relation with our organization whatsoever, engage in fraudulent activities in the name of IESCO. It has seriously infringed our right of reputation.

In view of this situation, a solemn announcement is made: IESCO is a non-profit organization with the objectives to maintain eco-safety, reduce poverty and hunger, and implement the MDG of UN. Our Main Partner in China is China Foundation for International Studies. IESCO has had a close cooperative relation with UN systems. Any activity engaged by anyone in the name of IESCO without authorization shall not be admitted. We will investigate those cases by coordinating with relevant authorities and reserve the right of legal proceedings.
